

**Haydale Graphene Industries plc**

**("the Company")**

**Investor open day on Tuesday 17<sup>th</sup> June 2014**

Haydale Graphene Industries plc, the Company focused on enabling technology for the commercialisation of graphene, is pleased to announce it is holding an open day for investors, media, analysts and other interested parties at its production facility at Ammanford, near Swansea. The open day will take place between 11.00 and 15.00 on 17<sup>th</sup> June 2014 at Clos Fferws, Parc Hendre, Ammanford, Carmarthenshire, SA18 3BL.

The purpose of the event is to explain the Haydale proprietary technology, and demonstrate how it adds value to both graphene producers and end users. The day will highlight graphene's potential and the Company's long term strategy.

Commenting on the open day, Ray Gibbs, Chief Executive said:

"This will be a great opportunity to show the processes that enable us to functionalise nano materials to meet customer needs. Over the last two months, we have been very active with potential collaborative partners having signed 20 non-disclosure agreements with various high profile R&D houses (including Universities) and significant global industrial corporations."

Those wishing to attend are requested to reply in advance to [info@haydale.com](mailto:info@haydale.com) or by telephoning the Company.
